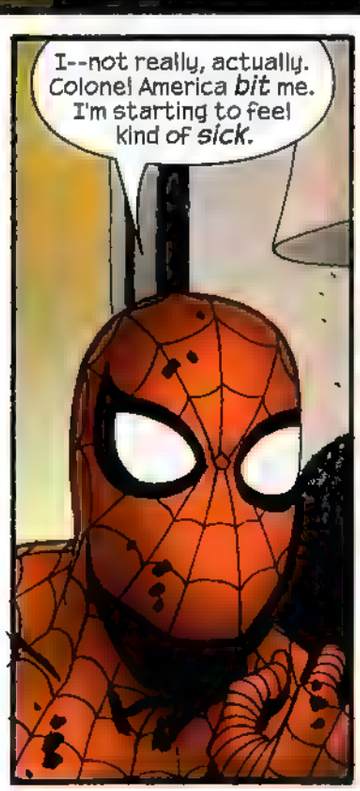
THAP

Everyone--okay?
Peter!
Oh my God--you're okay! Are you okay?

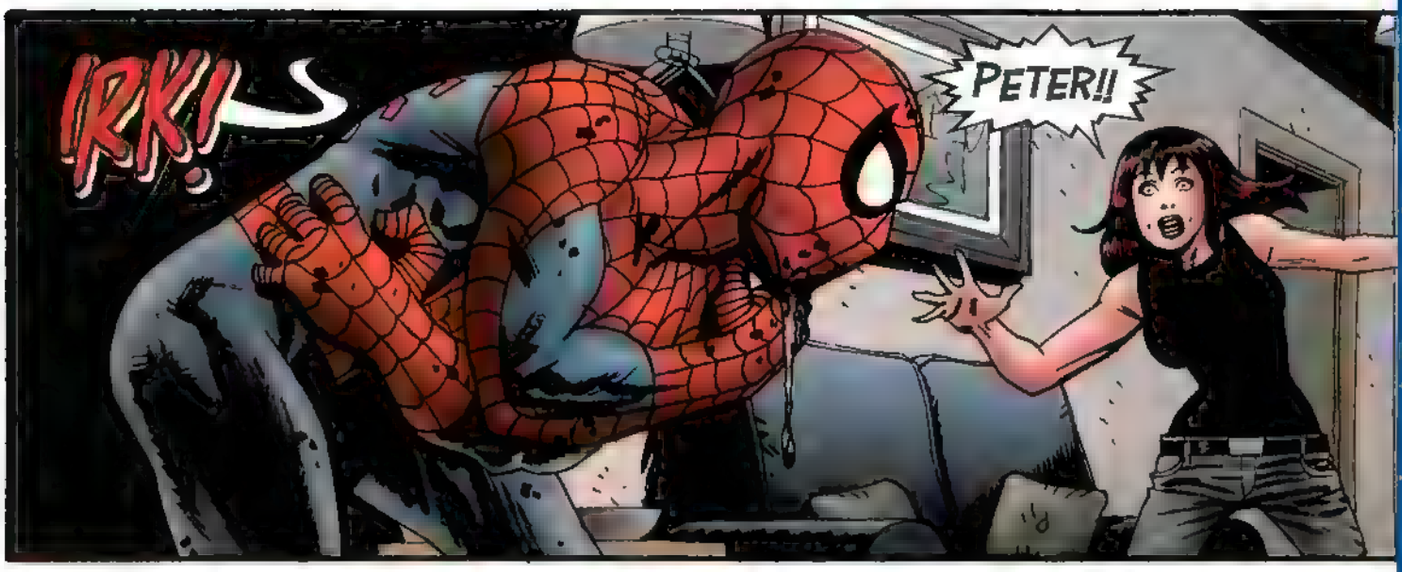


I--not really, actually. Colonel America bit me. I'm starting to feel kind of sick.

I'll get the peroxide.
So what they're saying on the news--it's true?! The Avengers have started attacking people--eating them?

Yeah--they--I tried to reason with them--see why they were acting like they were. They attacked me.
I barely got out of there, MJ--it's bad out there. I hate to even think this--but I think we should get out of here.

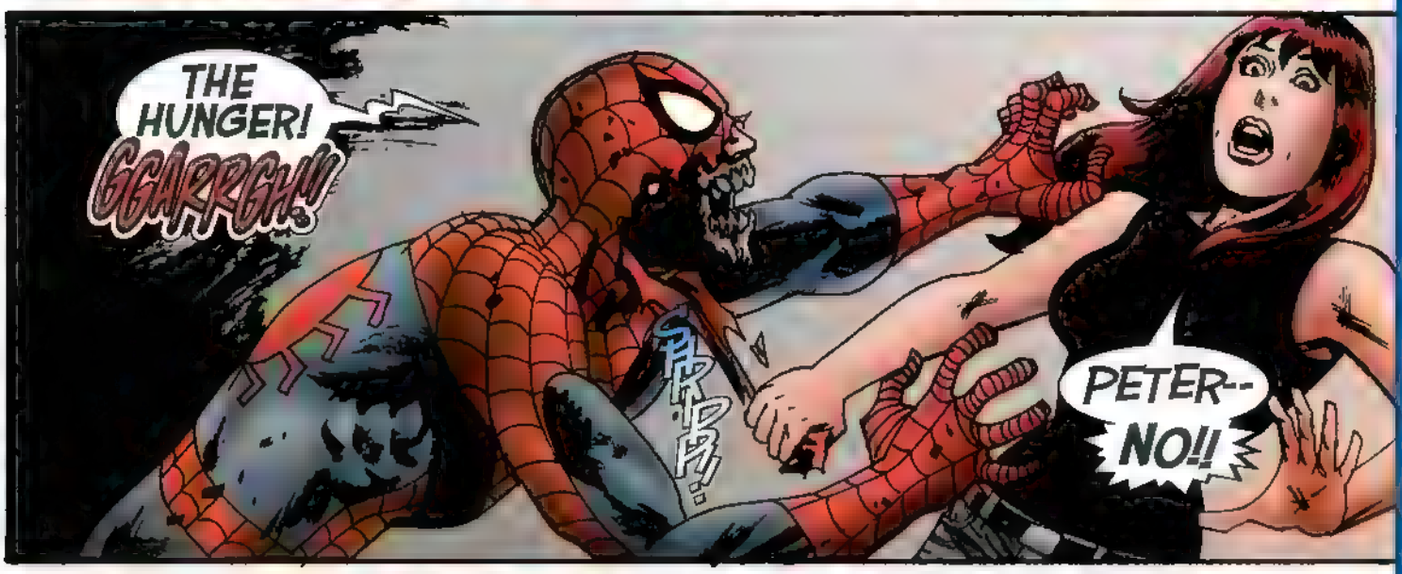
Then let's go, Peter.
I'm scared, I--I've never seen anything like this.



IRK!
PETER!!

Peter--are you okay? What is it?
What's wrong?!

Not well--sick.
Getting--worse! My stomach--the pain!



THE HUNGER!
GGARRGH!!
PETER--NO!!

Okay--let's clean up that--
Oh, dear. Mary Jane?! Peter--what did you--?!

Please, Aunt May--go--go lock yourself in the bathroom.
I can't--I can't control myself.

Written by **ED BRUBAKER**
Art and wraparound cover by **SEAN PHILLIPS**

A New Storyline! A New Anti-Hero! And a Perfect Place for New Readers to Jump On!

That's right, if you've been missing out on Criminal up until now, this is your chance to see why the critics have hailed it as Brubaker and Phillips' **best work**! Pick up the first trade collection, for the story of Leo, and then join us in issue #6 for a **new beginning** as we meet **Tracy Lawless**, the last surviving son of a once-famous family of crooks (who have been lurking in the background of **Criminal** since the first issue).

Twenty years ago, Tracy Lawless traded the crime-ridden streets of the city for a life in the military, and it's a decision he's rarely regretted. But now he's walking out of the deserts of Afghanistan and Iraq and back into the world he grew up in, to find out who killed his brother Rick, and why. But truth is one of the few things uglier than family history, and the only thing Tracy has in his favor as he unravels the twisted strands of the criminal life his brother led, is that no one knows who the hell he is. And what they don't know, just might kill them.

Don't miss the hard-hitting debut of the next Criminal lead character, in "**Lawless**" Part 1! And remember, every issue of **Criminal** is crammed cover to cover with content, including text pieces, back-up stories and noir articles by Brubaker and many other crime writers!

SILVER SURFER OMNIBUS VOL. 1 HC

Written by STAN LEE
Penciled by JOHN BUSCEMA with JACK KIRBY
Cover by JOHN BUSCEMA
Variant Painted Cover by ESAD RIBIC

Born by the hand of the world-devourer, Galactus, Norrin Radd sacrificed himself to save his home planet and his true love, Shalla Bal, but the price of their lives was servitude to the mighty Galactus — as his herald, the Silver Surfer! Now, exiled upon Earth, he struggles to understand the beauty and humanity of mortal men, and nobly seeks to heal the rifts that separate man from his brothers.

Created by the titanic team of Stan Lee and Jack Kirby in the pages of FANTASTIC FOUR, the Silver Surfer went on to become one of the most-beloved characters in all comicdom. Embodying the mind-blowing concepts of Kirby and Stan's socially conscious writing craft, the Surfer's stories expressed their creative vision in staggering and unique tales. Another talent would touch the character, however, granting him a soul-wrenching humanity that helped define him to this very day: the one and only John Buscema! A master of the craft, Buscema's Silver Surfer is considered by many to be the peak of comic-book art.

Now, the original adventures of the Silver Surfer are presented in one complete volume! Containing every story and letters page, restored and recolored to match the original issues, plus behind-the-scenes bonuses and critical essays, this book is the guaranteed way to get in on the character in the upcoming Fantastic Four film!

When the Son of Satan is your best option, God help you. New Orleans. The Big Easy. The membrane between our world and the underworld has always been a little thinner here. Now, in the aftermath of Hurricane Katrina, the outpouring of human misery has drawn demons like sharks to a bloodbath. What better time for Daimon Hellstrom – a.k.a. the Son of Satan – to pay a visit? It starts with the doctor who delivers a baby that vanishes into the night. A doctor who is devoured by demons wearing New Orleans P.D. badges. Demons who work for someone – or something - that's descended on the Big Easy and doesn't give a damn who Hellstorm or his father is. Something that's harvesting body parts in a furious race toward unspeakable purposes. This is the Son of Satan as you've never seen him before, brought to you by acclaimed novelist Alexander Irvine (The Narrows), with searing art by Russell Braun (Animal Man) and Klaus Janson.
